

Mathematics Olympiad Notification 2017

In continuation of mathematical talent search programmes in the State, the Assam Academy of Mathematics (AAM) will organise Mathematics Olympiad (MO) on 03/09/2017 (Sunday) from 11.00 am to 2.00 pm. The competition will be conducted for three categories of students reading in classes v-vi, vii-viii and ix-x-xi respectively in 44 centres scattered in various districts of the State. Prescribed application forms to be available with all centre coordinators and in the AAM website before 10/08/2017 will be received by the respective centre coordinators along with fees of ₹100/- each after being duly filled up by the candidates and forwarded by appropriate authorities. Few toppers in each category, will be awarded AAM certificates, prizes, sponsored medals and cash prizes. Subject to attaining a minimum cut off mark, some other candidates in all categories will be awarded certificates of merits and appreciation. MO questions are usually of non routine type and these are designed to test the clarity and ingenuity on the part of a candidate's thinking process. Copies of AAM publications containing hints and solutions of past question papers can be made available with centre coordinators for sale if demanded by the candidates
